## OBJECTIVE

To maintain a teaching position where I can create a classroom that is emotionally and physically safe for students and encourages them to seek knowledge. I also look to be in an environment that fosters my desire to continue learning and allows me to apply my knowledge to facilitate student growth and learning.

## Professional Experience

### 1st grade Teacher

Wake County Public Schools; Powell GT Magnet Elementary August 2011-present  
Responsible for planning and implementing differentiated lessons within the first grade curriculum. Regularly utilizing research-based programs such as PBI, Daily 5, Lucy Calkins writing, Math Expressions, and Readers Workshop. Create lesson plans based on evaluated data from assessments. Integrate technology and 21st century learning objectives into the daily lives of students. Build community within my classroom and school by fostering relationships.

### 3rd grade Teacher

Wake County Public Schools; Durant Road Elementary March 2011-June 2011  
Planned and implemented lessons and used research-based programs such as PBI, Daily 5, Lucy Calkins writing, Math Expressions, and Readers Workshop. Administered assessments and interpreted data to guide instruction. Integrated technology and 21st century learning objectives into the daily lives of students. Facilitated test prep for EOG testing.

### Student Teacher

Wake County Public Schools; Fuller GT Magnet Elementary Fall 2009-Spring 2010  
1<sup>st</sup> grade. Developed, planned, and carried out lessons for first grade curriculum. Conducted research-based assessments, recorded and evaluated student learning, and communicated with parents on a regular basis.
